New Services at Barrow Medical!

Welcome Dr. Sophie!

We are delighted to announce the arrival of **Dr Sophie Fiack**, who will take over from Dr Michelle Rodgers while she is on maternity leave. Dr Sophie is originally from France but has been working as a GP in Dublin for the last four years. She has special interests in women's health and travel medicine and speaks 5 languages! Dr Sophie is in Barrow Medical on **Mondays, Wednesdays and Fridays**. She joins **Dr Majella Scanlan** who is available on Mondays, Tuesdays, Wednesdays and Thursdays.

Meagher's Pharmacy)

Physiotherapy

THE PHYSIO COMPANY

From June 21st, we will have a **physiotherapist** in the practice every afternoon from 1pm to 8pm. **The Physio Company** has a proven record of excellence in this field, and also operates a physio service from our sister GP practices in Ranelagh and Raheny.

To make an appointment, please ring Barrow Medical on 634 7007 or ring The Physio Company direct on **1890 PHYSIO** and ask for an appointment in Barrow. To find out more about the treatments offered by the physio, log on to their comprehensive website at www.thephysiocompany.com

Psychologist/Counsellor

Lynne Forrest is a psychologist who specialises in Cognitive Behavioural Therapy (CBT) for common problems such as **stress** (including work-related stress), anxiety, depression and psychological trauma. She comes to Barrow Medical every **Monday evening** from 5pm - 8pm (50 minute appointments).

Lynne is a graduate member of the Psychological Society of Ireland (PSI) and she holds a BA (Hons) and Master's degrees' in Psychology, both from UCD Dublin. You can refer yourself, or be referred by your GP. Contact us on **(01) 634 7007** to make an appointment with Lynne.
